APPENDIX A

SURFACE CONTOURS OF HYDROGRAPHIC DATA
Appendix A.1. Surface contours of hydrographic properties measured by the underway thermosalinograph during the May 28, 2008 survey.
Appendix A.2. Surface contours of hydrographic properties measured by the underway thermostalinograph during the June 24, 2008 survey.
Appendix A.3. Surface contours of hydrographic properties measured by the underway thermostalinograph during the July 23, 2008 survey.
Appendix A.4. Surface contours of hydrographic properties measured by the underway thermosalinograph during the August 27, 2008 survey.
Appendix A.5. Surface contours of hydrographic properties measured by the underway thermostalinograph during the September 8, 2008 survey.
